Gulliver of Mars

## Gulliver of Mars

By Edwin Lester Linden Arnold (1857-1935)

This escapist novel, first published in 1905 as Lieutenant Gulliver Jones: His Vacation, follows the exploits of American Navy Lieutenant Gulliver Jones, a bold, if slightly hapless, hero who is magically transported to Mars; where he **almost** outwits his enemies, **almost** gets the girl, and **almost** saves the day.

Somewhat of a literary and chronological bridge between H. G. Wells and Edgar Rice Burroughs, Jones' adventures provide an evocative mix of satire and sword-and-planet adventure. (Summary by James Christopher and Wikipedia)
